After School Care

Messy Monkeys - After School Care

Where?

The club is typically based in Daffodils class which has both indoor and outdoor provision, easy access to the school yard and access to toilet facilities.

When?

The club operates from 3.15pm up to 5.30pm if required. Monday to Friday during term-time excluding PD Days.

Who?

The club is for the after school care of pupils of Morda CE Primary School and Morda Village Pre-school aged 3 to 11 years.

The club is run by school staff members.

In line with national standards; when there are 8 or less children one member of staff will run the club with a senior member of school staff on site to provide support when needed. When more children attend at least two staff members run the club. Other members of school staff may also provide cover.

What will my child be doing?

Research shows children of all ages enjoy creative and imaginative play. We provide a timetable which includes arts, crafts and cooking together with imaginative play sessions, a healthy snack break and some time to relax.

Children aged 3-5 have access to the EYFS curriculum through “Child Initiated Learning”.

Safeguarding and health and safety policies are in-line with school policies and are the responsibility of the leadership team and the governing body in the same way as other activities in school.
