

PE and sports grant 2023/24: £17,000

### Purpose of funding

Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

Possible uses for the funding might include:

- hiring specialist PE teachers or qualified sports coaches to work with primary teachers when teaching PE
- supporting and engaging the least active children through new or additional Change4Life clubs
- paying for professional development opportunities for teachers in PE and sport
- providing cover to release primary teachers for professional development in PE and sport
- running sport competitions, or increasing pupils' participation in the School Games
- buying quality assured professional development modules or materials for PE and sport
- providing places for pupils on after school sports clubs and holiday clubs
- pooling the additional funding with that of other local schools.

Target	Action	Cost	Other notes	Impact	Evaluation
To improve the swimming proficiency of all KS2 children.	High-quality swimming lessons for all of Key Stage 2 (improved provision this year – longer lessons, better teacher/child ratios)  Year 6 children unable to swim 25m provided with additional tuition	Pool hire and coach: £2,700  £300	Curriculum PE time – in blocks	Increased numbers for swimming coaching with a specialist teacher. Children are highly active and are presented with further opportunities to be participative and competitive. This leads to improved provision, outcomes and enjoyment for all children.</p>	
<p><b>TOTAL</b></p>		<p><b>£17,000</b></p>			

### Swimming 2022-23

Swimming is an important skill and can encourage a healthy and active lifestyle.

All Local Authority schools must provide swimming instruction either in key stage 1 or key stage 2. The programme of study for PE sets out the expectation that pupils should be taught to:

- swim competently, confidently and proficiently over a distance of at least 25 metres
- use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]
- perform safe self-rescue in different water-based situations.

### Swimming and Water Safety

What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of academic year 2022-23? 100%
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of academic year 2022-23? 100%
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of academic year 2022-23? 40%
Schools can choose to use the primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?  Yes – each year group in Key Stage 2 swims for a block of time each year.
